2027 FEES & FINANCIAL MATTERS

2027 SCHOOL FEES, STATIONERY FEES AND LEVY – YOUR OBLIGATIONS FOR 2027

School Fees | **Stationery Packs** | **Levy & Payments**

Dear Parents and Guardians,

Following the meeting Annual General Meeting on 17 October 2026, we confirm the resolutions on fees that were adopted for 2027. These set out what is expected of every parent next year. Please read them carefully and keep this letter for reference.

Why your financial support matters

Parkhurst Primary is a compulsory fee-paying public school. Your timely financial support is key to the school running effectively. It allows us to keep our staff, resources and facilities in place so that every learner receives the best education possible. We thank you for your continued partnership.

1. School fees 2027

The annual school fee for 2027 is **R13 750 per learner**. Parents may choose one of the following payment options:

Option	Who may use it	Amount and conditions	Due
Full payment upfront	All parents	R12 500 (a R1 250 discount applies)	By 28 February 2027
11 months on debit order	New and current parents	R1 250 per month. A R1 250 discount is given at the end of the period if all debit orders are honoured, so the total is R12 500.	Debit order signed and activated by 31 December 2026, or on admission
12 months on debit order	Current parents only	R1 145.83 per month. No discount. Subject to a credit check.	Debit order signed and activated by 31 December 2026
11 months by EFT, card or bank deposit	Current parents only	R1 250 per month. No discount.	Monthly

New parents must pay by debit order.

They must also pay the first month's fee of R1 250 when admission is accepted.

The 2027 school contract will be issued for completion and return to school in November 2026.

2. Stationery and book packs 2027

Payment is due by **31 December 2026** for current learners and new admissions. Learners admitted after 31 December 2026 must pay when their admission is accepted. Please make sure you pay for the grade your child will be in during 2027.

Grade	Pack price
R, 1, 2, 3 and LSEN (H)	R1 450
4	R1 450
5, 6 and 7	R750

- **Grades R, 1, 2, 3 and LSEN:** the pack covers all stationery, books and consumables for the year. Parents are not required to buy anything further unless items are lost or stolen.
- **Grades 4 to 7:** the pack covers exercise books, workbooks, covers, the learner diary, paper, consumables and textbooks (on loan). Writing instruments are not included. Parents buy these as per the stationery list.
- Please do not buy items from outside suppliers, as the packs are designed for the school's exact needs.

3. School Development, Sports and Projects Levy

The levy is a **voluntary, once-off amount of R1 000 per learner**, payable by **5 February 2027**. It covers civvies days, the school day disco, the inflatable fun day, sports kits, snacks and transport, outside presentations, and curriculum-based robotics and coding. It does not cover photograph packages or day and overnight trips. The levy is not part of the school fees and is not included in fee exemptions or discounts. Learners whose levy is not paid do not take part in the activities it covers. No refunds are given for non-attendance.

Please keep proof of every payment made to the school. A full list of resolutions is available at the school office.

Thank you once again for your support. Together we can give every Parkhurst learner the best possible start.
